

12w CCT LED Panel – RCLED12CCT

Product Description

The Ideal panel series is designed as a good energy saving panel with 1140lms, 50,000 hours long life, and 90% uniformity across the emitting surface. Ideal panels enable customers to recover initial investment quickly and greatly reduce the maintenance cost. The ideal panel is ideal for EMC energy-saving projects in places of work and educational locations, healthcare, and retail environments.
